

## DID YOU KNOW...

February 2009

You may qualify for a Home Heating Credit for the 2008 tax year if you: meet the income guidelines, own or rent the home where you live in Michigan, or qualify based on alternate guidelines including household income, exemptions, and heating costs. If you qualify, you may receive assistance to help pay for your winter heating bills. The Village does accept them towards future bills. If you qualify, call for your electric billing history before seeing your tax preparer. Forms are available in January wherever tax forms are provided, or from the Michigan Dept. of Treasury (1-800-827-4000, or [www.michigan.gov/treasury](http://www.michigan.gov/treasury)).

Look for next month's "Did You Know" insert. Contact Village Hall for further information at 269-657-3148 or e-mail [www.pawpaw.net](http://www.pawpaw.net).
