

DID YOU KNOW...

November 2007

With the Holiday season quickly approaching, remember these Holiday decorating tips: Ensure all lighting and extension cords are in good repair, never connect more than three strands of lights together, keep the power cords out of pathways and do not tuck them under rugs, carpets or curtains. These tips can help to create a safe Holiday season.

The annual lighting of the Christmas tree will be held at 6:00 p.m. in the county park on November 30. Hope to see you all there.

Look for next month's did you know insert. Contact Village Hall for further information at 269-657-3148.
