

# Potential Services of a Senior Program

If the Eastern Van Buren County Senior Services was modeled after the successful South Haven Area Senior Services that serves South Haven City and Township, Bangor City and the Townships of Covert, Bangor, Columbia, Geneva and Arlington, it would have a main center and several satellite offices.

**A Centrally Located Senior Community Center with Satellite locations in other designated areas can provide the following types of programs and services:**

- Information and Assistance Center
- Medicaid/Medicare Assistance Program
- Emergency Medical Card Program
- Affordable In-home Care
- Care Watch Care Management
- Assistance with Medical Transportation Needs
- Volunteer Opportunities
- Intergenerational Programs – School based programs
- A Focal Point for Services to Seniors - A Senior Center chocked full of services and activities: Congregate and Home Delivered Meals (Senior Nutrition Services) Social programs, Health focused programs, health screenings, fitness and exercise, games, parties, trips and tours, educational programs, computer training, dinners, and more !

## Proposed Types of Services
