Wininger provided a review of sign ordinance amendments. The Commission took each recommendation and discussed each aspect of the ordinance. Lengthy discussions on billboard signs. The commission will review the current layout of billboard along the properties south of I-94 within the Village limits and get an idea on the distances. Also, Larson would like to review stacked billboards. Riley thought the ones on the LaRue property were stacked. The commission will look at the existing billboards to determine exactly what they want.
