

I-94/M-40 Interchange Reconstruction Study

Paw Paw, Van Buren County

The Michigan Department of Transportation (MDOT) is planning road and bridge improvements along I-94 and M-40, including an examination of the M-40 interchange. The public is invited to participate in the study and collaborate with MDOT throughout the process. Planned events include public community conversation events and local advisory committee meetings with individuals representing organizations. Please plan to attend these events to share ideas, suggestions, and concerns for roadway improvements or potential development opportunities.
